The WPR Directors and the Focus Groups have been really busy, and we have much to report back on.

The WPR Directors met by invitation, with officials from the Service Delivery Department, together with the Ward Councillor Marika Kruger and the newly appointed Regional Manager Kingsley Wakelin, in an effort to compile an action plan that addresses the many issues raised by the WPR.

Call for Environment and Health Officer

If you are passionate about the environment, and want to lead this critical Focus Group, [click here](#) for the scope of the position. Applications have been extended to the 7th of November.

Street Ambassadors

We have identified these as a critical link in our communication and marketing chain. If you are interested, or know someone who may be, [click here](#) for more information on what the position entails.

Seniors Tea

The 9th of December has been set aside for our over 65 members to be honoured with a tea and light entertainment.

We are looking for hostesses who will each sponsor and look after a table of 6 people. This would include providing their refreshments and drinks, plus setting up the table with their tablecloth and cutlery and crockery.

We are also looking for sponsorships towards flowers, prizes, small gifts and entertainment. Your company logo will go onto the programme, and you will be acknowledged on our website in return.

Please help us honour our seniors who are the backbone of our society.
