Membership Drive***

We are appealing to everyone to please register all adult members in the household to ensure that the database is a true reflection of the number of residents in the community.

it is really important as we move to Stage 2 of our business plan.

We also need to reach out to everyone in the community to raise awareness and get support from businesses to procure sponsorship for projects going forward.

Our target is 6800 members, which we estimate is 80% of the residents in Wierda Park.

We will keep you all up to date as to our progress.

STREET AMBASSADORS

We have identified this as the next step in our Business Plan. These officials will be integral in the building of our community. The Scoping Document is available to anyone who is interested.

Please contact secretary@wpra.org.za if you need any further information.

On being informed about the squatter in the Springvale Park, our Chair – Liza Vorster immediately notified the relevant authorities, and even though it was on a Sunday the issue was addressed.

We will remain vigilant regarding this threat, and ask everyone in the area to keep an eye out. We have asked for regular inspections from the TMPD.

Urgent Petitionsthere are two issues that we want to formally present to the City of Tshwane City Manager/Mayor.

Please sign these – we need a minimum of 1000 signatures, so please sign and get all your adult family living with you to join and then also sign.
