WHO WE ARE

The WPRA is a non-profit company whose vision is to create a safe, clean, green, and functioning community where everyone is treated with equal respect irrespective of their race, gender, age, culture, language, religious beliefs, or political affiliation.

OUR OBJECTIVES

- To create an organisation which is representative of the community.
- To create a spirit of Ubuntu where the community stands together and looks out for each other.
- To address and resolve issues raised by the community using the WPRA's legal standing.
- To create opportunities for growth and sustainability for current and future generations.
- To restore the community to a desirable neighbourhood of choice.
