We invite you to a meeting on Saturday 14th October at the NGK in Piet Hugo Street, to learn about the Safety and Security Focus Group's Short and Medium Projects and goals.

We will be sending out the full agenda shortly – in the meanwhile please send us any concerns you want addressed at the meeting.

We plan to engage with all the various Security Companies to learn about their Standard Operational Policies and what they offer their customers, so that we can distribute this information before the above meeting.

Please save the date in the meanwhile, and we look forward to giving you feedback and information regarding this critical subject.

One of the Safety and Security Focus Group's projects is to appoint WPRA Street Safety and Security Representatives in each street. We have identified members in some streets who have volunteered for this position – if you are interested and want more information, please contact either Angie Abraham at angie.abraham91@gmail.com or Shelly Beckbessinger at Secretary@fwpra.org.za

CALLING ALL OVER 65'S

We are planning a morning tea for all of our WPRA members who are over 65, to honour them and also to learn about their concerns or special needs.

Once we have a database of all the residents of Wierda Park we will be sending out personal invitations.

If you know of anybody who needs help to join electronically, we can print forms which can be collected from our secretary at 144 Koedoe Street, or we can mail these to you for printing.

We will be calling for sponsors for these tables in the near future – if you own a business or can assist, please advise the secretary at secretary@wpra.org.za.
